September 2012 RE Report

Sorry I missed you all last month. A last minute vacation got in the way. I opted to leave the laptop home rather than bringing it on the plane. Probably wasn't a bad idea as our luggage took the scenic route and did not get to us until the next day.

The July Membership meeting was cancelled due to the holiday. The August meeting was held at the Funplex. Our next meeting at the Orchard will be on September 5th. Hope to see you there.

The second of the Street Survivals was held at Fortitech on August 11th and 20 students attended. We had 21 instructors on hand and the event went very well. The event was put on by the Patroon BMW club. Will Schambach did a great job of getting a great group of volunteers to help out. Much of the same people have continued to show their support for the program. Fox 23 covered the event. <http://www.fox23news.com/news/local/story/Teen-drivers-taught-about-emergencies-at-the-wheel/jc0YiT8sk0qHrVyOU5GCdQ.csp> Thanks to everyone for their help.

SOLO Report

September 2012 Solo Report

Sorry I missed you all last month. A last minute vacation got in the way. I was not able to make an agreement with Wilton Mall. Because of this, we did not have an event in July. I will check with Wilton again next year to see if they would be flexible with the rent amount. If they are not flexible, we will not be able to go back.

Our 4th event was held at Fortitech. Bert Huiest set up another one of his signature courses. About 70 came out to compete. It was a beautiful day and we were all able to get in 6 runs. Will Schambach set both the fastest raw time and the fastest Pax adjusted time.

The National Tour was held in June. Paul Bishop came out for his first Tour in his rookie year of auto-crossing. It is a pretty big adjustment going from our small local events to a Tour. Paul had a little trouble with the big course on day 1 as he was unable to post a time due to being off course on each of his 3 runs. The next day he made a mistake on his first run that put him off course again on his first run, but he corrected that and was able to post times for his final 2 runs. Because of his DNF's on the first day, he wound up in last place in his class of STR. Despite not having a recorded time on the first day, Paul had a good time and enjoyed his time at the event. He worked hard at learning the course for the second day and proved that he could do it. I commend his efforts and look forward to his next big event. Alex Shchipkov and Bruce Kosakoski competed in DSP. Alex took the top spot and Bruce wound up in fourth. Eric Smith had fourth place in SM just out of the trophies. Will Schambach and Jim Garry dominated the BM class with Will taking the top spot and Jim taking the second place trophy. CP was infiltrated by a couple of FS cars that were looking to make a class. For those that know the name Mark Daddio, can tell you that he is regarded as one of the best drivers there are. Even though he had brought a stock car to a prepared battle, an unfortunate mistake on my part was enough to allow him to take the top spot by .100 of a second. I had to settle for a second place finish and Arne Beebe finished in fifth place.

Upcoming events;

Sept 8	Adirondack Corvette Event	Prospect Mountain (not a Mohud event)
Sept 15,16	Car control clinic, Event 5	Fortitech
Sept 23	Event 6	OGS McCarty Ave lot
Oct 14	Event 7	OGS McCarty Ave lot
Oct 20	PDX	Lime Rock Park

Italics are tentative. Bold are confirmed.
