## June 2015

I apologize to everyone for missing last month's deadline for the Knock Off and I also want to extend my sincere apologies to you Knock Off Editor Lisa Hanifan. She is a saint for putting up with me and my late articles every month.

The Saratoga Auto Museum had its annual car show and MoHud was in attendance. Thanks to Eric Smith for getting a group of cars together for the show and staffing the tent to promote the club.

The Tech Party was held at Bob Karl's Auto Sales and Service. Thanks again to Bob and his staff for accommodating us again. North Country Imports also had a Tech party for us as there was a need for a second date. Thanks go out to the Lendrum's for hosting.

We have a couple activities planned for the summer. The August meeting will be held at the Funplex in North Greenbush for our annual go-kart outing. And the MoHud golf tournament will be at the Burden Lake Country Club on August 13<sup>th</sup>.

We will be holding the Mini-Con on 11/13-15/2015 at the Saratoga Holiday Inn. Rates are \$129/night. We will need help to put on this event. If interested, please contact Jack Hanifan, Pete Smith, or myself.

Look for us at Guptill's at the car shows. The second Monday of the month starting in June we will have a booth to get some exposure to the public. We have been doing this for the last couple of years and it has been a successful tool in getting interest in the club.

We had a special guest at the last membership meeting. John Walsh, our Area 10 Director, made his way to Albany to give us an update from Topeka. It is always a pleasure to see John.

We signed up with <http://www.sccareregiongear.com/> to get our logo on their site. You can order shirts with our logo directly from them.

## June 2015

We have a schedule:

May 30	Test and Tune	McCarty Ave OGS lot
May 31	Points event 2	McCarty Ave OGS lot
June 28	Points event 3	McCarty Ave OGS lot
July 12	Points event 4	McCarty Ave OGS lot
Aug 2	Points event 5	McCarty Ave OGS lot
Sept 13	Points event 6	McCarty Ave OGS lot

All of these are at these are at the McCarty Ave OGS lot. I am checking on another lot so hopefully I will have more to report on that next month.

We had our first event on May 3<sup>rd</sup> at McCarty Ave. This was the first event without Bert Huiest as the course designer and it showed. I designed a challenging course that made for a challenging day. The course flowed well and had a good mix of elements. Unfortunately it was a bit confusing as we had quite a few off courses. In an attempt to make it easier to follow, I think I made it worse. I am hoping to redeem myself at the next event. The Test and Tune should be an easy but technical straight forward course that should allow many runs. Sunday's course I am hoping to have a more visually appealing course. We will see what happens. I have a few people that have agreed to help me with setup and design and am extremely happy to have them.

We also introduced a Pro class this year. It is scored like the Novice and Tire classes using the Pax multipliers to even out the cars. Most of the previous champions and perennial high Pax finishers have been grouped into this class. This opens up the classes to allow for new Champions in those classes and makes it more challenging for the "Pro" drivers to win a championship.

The first event had 55 entrants on a beautiful day. Andy Furlong's Atomic Rabbit set the fastest raw time of the event. Jon Staude had the top Pax time and top finishing position in the Pro class in his Civic. Miguel Teixeira was the fastest Street driver, Stephan Zavos had the top Touring time, David Peters was the quickest in Street Prepared, Scott Carpenter took his Focus ST to the top of the Street Modified chart, Johnathon Burckhard has the top spot in Junior Kart, and Alexander Norton was the best in Novice. As far as Season Points are concerned, Ian Wallace, Miguel Teixeira, David Cowie, Tracey Burckhard, and Russ Gorman are your top 5 in Street. David Peters, Dan Whaley, Dave Trifaro, Joe Cassidy, and Ethan Corey are your top 5 in Street Prepared. Stephan Zavos, Aashish Vemulapalli, Timothy Fink, Scot Carpenter, and Alex LeBon are your top 5 in Street Touring, Jon Staude, myself, Andy Furlong, Carmine Russo, and Greg Cuda are the top 5 in Pro, Alex Norton, Saul Morse, Adam Wright, Schuyler King, and Rick DuPont are the top 5 in Novice, and Johnathon Burckhard holds the top spot in Kart. It is still early in the season and the battles have just begun. It is way too early to be guessing who the Champions are going to be. Make sure you are at the next event, because after all, you could be the next champion.

2015 June

**Congratulations to Jeff Lehner** - Jeff won the Saturday Spec Racer Ford race at Summit Point.

**Denise McCluggage** - Hall of Fame member and noted Sports Car Racer and columnist, Denise McCluggage, passed away on May 7, 2015. Denise was one of a few women who raced in the SCCA in the early sixties; she helped pave the way for the ladies of today. I still remember the iconic photo of her and Steve McQueen sitting on a sports car in NYC.

**Anthony Parker** - Anthony Parker a NER member, Tech worker and defending FV NARRC Champion was injured in a crash at WGI last weekend. Anthony was driving a F1600 and went off in the eases. He was taken by helicopter to the Guthrie Center in Sayre, Pa. He has a severely fractured right tibia. He will have to wait 2 weeks for the swelling to go down before he can have surgery, then 12 weeks before he can put weight on it.

**Memorial Day Weekend** - While the spectator types will be heading to LRP for the Trans Am, many of the MoHud racers will be heading to New Hampshire for the Big Adventure School and Divisional Race. We will have two Drivers in the School; 15year old Evan Karl in the number 16 Spec Miata (formerly Roly Heacox's street car) and new member Dave Marchetti with his F Production MGB.

**Treat your Crew** - at the MoHud/NER regional at Thompson on Saturday July 11<sup>th</sup>; you can let your crew member drive your race car on the track. MoHud will be hosting a Time Trial event; all you will need is a helmet and a state driver's license. There are a few other things you have to do, contact Jim Bucci for details.

**Time Trial** - You do not need a RACE CAR for this event, most street cars will be eligible again contact Jim Bucci.

## RACE CAR FOR SALE

I ran into retired FF driver Kieran Curley recently, he told me that he has decided to sell his F1600 Alexis. The car is vintage eligible and is in good condition but it has been sitting in the garage for a few years. Kieran is willing to take **Best Offer**, contact Kieran at **845-269-0561**

## *Greg Rickes reporting...*

SCCA TrackNight at Thompson Speedway MotorSports Park was all the fun you could pack into a few hours on a Wednesday. The objective was to get car enthusiasts out to experience a real race track, but without the element of competition. It's not a totally new concept, there have been other groups running track day events for quite some time, but this one was aimed at people with little or no previous exposure. The time commitment of an afternoon/evening, and a modest price point (\$150) hit its target at Thompson as nearly 60 signed up for the novice group (with another 25 or so in the intermediate/advanced category). An informal poll show of hands suggested that about half the novice group had no previous involvement aside from video games or watching races on TV. (The Novices were split into two groups to ensure that everyone had quality time and personal space).

SCCA hit the right balance of impressing the seriousness of the track environment and being customer-friendly to people encountering its many nuances for the first time. Proof of that at TMSP was that just one car had a minor off-course excursion, otherwise the laps flowed smoothly for the entire event. Aimed primarily at street cars there was a good deal of variety from a few econo-box sedans to a wide range of tuner cars, rice rockets, a Cobra kit car, up through the latest Porsches and Corvettes, but even our well-worn SSM Miata was not out of place.

Not to be underplayed is the restorative property that a few laps around a road course can bring to the soul. If you're an autocrosser you'll get more driving time in one TrackNight than in a season of dodging pylons. If you're usual role at the race track is on a flag station or other official duties you'll surely appreciate a different vantage point. If you're just someone who likes cars and driving, it's a rare opportunity to engage in spirited motoring, and vastly safer than any conditions you'll encounter on public roads.

Even without the measure of competition, against other cars or the clock, it's rejuvenating, with the freedom to enjoy the race track and expand your skills at your own pace. It's kind of like why skiers enjoy a day on the slopes. The TrackNight format provides three 20 minute track sessions, which was enough to time to discover the rhythm and flow. And instill an appetite for more 😊.

The efficient schedule alternated track sessions with group de-briefings and a little time to enjoy walking around looking at cars and meeting fellow enthusiasts. Before 8 p.m. everyone was on their way home.

I've been around this sport since the late 1960s (I ran my first autocross, when they were still called gymkhanas, in 1967, in a four-door ,6 cylinder, automatic transmission Chevelle) and TrackNight at Thompson was still able to put a smile on my face. Maybe it will do the same for you?

Thompson (which is about two and half hours from Albany) has three more TrackNights: Tuesday June 30, Thursday July 9 & Thursday August 6. A bit further afield TrackNight visits New Jersey MotorSports Park on June 10, July 8 and August 12.

On-line registration and all the pertinent details can all be found at

# Saratoga Automobile Museum Annual Car Show

Several current and prospective members of MoHud brought their cars to the Saratoga Automobile Museum to be part of MoHud's display in support of the Museum's annual car show. The event was blessed with good weather, which made for a very pleasant and relaxing day.

We had a chance to talk with many showgoers who can provide their unique spin on the show: from the couple where the wife wasn't sure our cars were "cute" enough ("I like 'em girly", she kept reminding us as we toured the MoHud collection) to the visitors who stopped by looking for Tom Campbell or Jack Hanifan and offering their own memories of time spent in SCCA - "Tony", who raced Showroom Stock back in the 70's in a BMW 2002, and who had pictures in his wallet of his car on two wheels at an autocross giving "Paul Hacker a run for his money", and of his car launched into the air when he misjudged a pass in the old chicane now known as "the Esses" at Watkins Glen (I think he said either Tom C or Jack Hanifan put his damaged car on their trailer to get it home). Another woman stopped by and said she used to run with Cal Club back in the day and knew Tom C, and was a flagger too, but she has moved on to other pursuits since

*Chip Van Slyke's Formula F was entered in the real show.*

coming east but would like to come out to an event at Lime Rock or Palmer just to spectate. We also talked to some folks about autocrossing with us, participating in a track event with us or Patroon BMW, or considering our Street Survival program for their new driver.

Thank you to Tim and Jill Frink, Zack Taylor and Ashley, Arn Beebe, Tom Campbell, Andy Furlong, Dave Trifaro, and Russ Burckhard for joining me and displaying cars. Thanks also to Jim and Trish Bucci for providing some MoHud and SCCA promo materials and Zack Taylor for the EZ-Up when the MoHud van couldn't make the trip.

Where  
***Thompson Speedway Motorsports Park***

205 E Thompson Rd  
Thompson, CT

When  
**Saturday, July 11, 2015**  
8:00-5:00

*Come and enjoy this historic and challenging track, and experience SCCA's camaraderie and sportsmanship.*

**We welcome drivers of all abilities**

**Who can participate in the time trial event?**

Participation is open to any SCCA regular or weekend member. If you are not an SCCA member, weekend memberships will be available at registration.

**What types of cars are allowed?**

Econo-box sedans, performance cars, tuner cars, imports and domestics. Even convertibles (no roll bar required) Yes, this means you Miata guys and girls!

**How much does this cost and what do I get for it?**

The event cost is **only \$160**. For that you get (2) 20 minute on-track sessions plus appropriate class room instruction. In addition, time trial participants are allowed full access to the paddock and garage areas of the track to see the drivers and club racing cars up close. Participants are also invited to be a part of the driver/worker party after the conclusion of the day's racing events. The time trial participants rotate as a separate run group at this club racing event so you'll also get to see the finest club road racers in the northeast compete in a variety of cars and classes when you are not on track or in the classroom.

Registration will soon be open at <https://www.motorsportreg.com>

# Membership Meeting Minutes 5/6/2015

Meeting called to order 7:45 pm.

**SECRETARY** – correction made to March meeting minutes. The minutes stated that Thompson time trial is open to advanced drivers only. It is actually open to all drivers.

**MEMBERSHIP** - we currently have 421 members, with 6 new members joining in the last month.

**KNOCK-OFF** - no report.

**TREASURER** - previous month's income and expenses summarized.

**SOLO** - first event was this past Sunday, May 3. The race had 55 competitors. Next event is scheduled for last weekend in May - Saturday and Sunday. Saturday will be a "test and tune". Invitation has been extended to the RPI race team to participate in Solo.

**STREET SURVIVAL** - still working to secure a concrete date for the school. It will be held in the Fall (October) at the Saratoga Museum. The museum just installed four high end distracted driver stimulators. Tom Campbell suggested that we may want to incorporate this into the Street Survival.

**RALLY** - no report.

**HPDE – Time Trial** – scheduled for July 11 at Thompson, as part of the NE regional race. Drivers will have two twenty minute sessions. Fee is \$160. Entry is open to any licensed driver, any street legal car. Convertibles DO NOT need a rollbar. We will open up registration shortly on MSR. Instructors will be needed to help out with the event, monitoring the drivers and assisting students where needed. In-car instruction is not being provided. Supps are being drafted.

**ACTIVITIES** – On August 5, Mo Hud will have a Go Kart night at the Funplex in North Greenbush. The Mo Hud golf tournament will be on August 13 at the Burden Lake Country Club.

**COMPETITION** - Jack Hanifan summarized the Summit Majors - of note, MoHud member Jeff Laner finished first in Spec Racer Ford. Upcoming events - Memorial Day weekend - driver school and double regional at NHIS.

**OLD BUSINESS** – MoHud will be reserving a spot at Guptills monthly auto show. It is held the second Monday of each month. First date is June.

**MINI CON** - Safety Steward seminar and course design will be included on the agenda.

**RPI TEAM** - they've asked if we could assist them with a presentation on driver dynamics. Bruce Kosakowski will assist.

**NEW BUSINESS** - Area 10 Director John Walsh provided an update on a number of new SCCA events, including Track Night in America and the Bracket Enduro. The first Track Night in

America was held on May 6 at Thompson. The goal is to offer track access to new individuals to introduce them to the sport. A Bracket Enduro is scheduled for the first week of June at Thompson. Participants do not need a competition license to participate. Those who successfully complete are eligible to apply for a racing license.

**CAR SHOW** – scheduled for May 16 at the Saratoga Auto Museum (rain date may 17). Eric is still looking for 3 more cars that can be displayed.

Eric has been in contact with <http://www.sccaregiongear.com/> - they will put our region logo on clothing - polos, pull overs, etc. Eric provided them with the Mo Hud logo. We will be able to put in orders for clothing. Membership approved payment of \$25 to SoloPerformance for the sample.

Meeting adjourned at 9:05 pm.

# MEMBERSHIP REPORT By Jim Garry

In April we had six new members:

Sonia Bragulla, Leeds  
 Ryan Gallagher, Saratoga Springs  
 Marshall Girvin, Greenfield Center  
 Chris Hutchison, Johnstown  
 Brandon Kristel, Ballston Lake  
 Tanner Schrader, Cairo

At the time of the writing of this report we were not through with the month of May. But so far we have two new May members:

Paul Souliske - Glenville  
 Adam Wright - Berne

## ***GREETINGS TO ALL!***

This month our membership total stands at 421, up five from last month. As with most clubs anywhere, the SCCA has a large turnover rate of new and relatively recent members. People join, feel things out, and most decide to move on within a year or two. Nothing personal.

And that's the catch. If we made it personal, many more would stay. So if you meet or know of a new member, please reach out to him or her. Ask them about their interests and talk about what you think is cool about our club. Offer to help them with a project, take them to the monthly membership meeting or an event. Or make some other kind of personal contact in some way, even if very small. It would go a long way toward making someone feel like they are a part of this great club. If we can retain even 10% more of our new members, our numbers would climb noticeably.
